Walk Over Shoes For Men.

To the Point.

Most men have heads—and feet.

Some men lose their heads.

Others may have been unfortunate enough to lose their feet.

We have nothing to say to the former.

We are sorry we cannot serve the latter.

Our business is with men who have good heads and who like to have good feet.

A pretty good way to find out if a man has a good head is to look at his feet.

If he wears Walk-Overs you may be sure THAT man has a good head and an excellent understanding.

To get ahead in the world, wear

Queen Quality for Women.

The Shoe that Satisfies.

The only indispensable thing about shoes is that the wearer shall be at peace with them.

No woman can be at peace with her shoes unless they are comfortable, and no shoe can be comfortable unless it fits.

But as the ordinary shoe is built to-day, it can't fit as it should.

It needs a totally different construction to make it fit around the waist of the foot.

Only one shoe is built with this arch fitting construction.

That is the

Fire! At midnight Tuesday night, Paw Paw people heard a fire alarm for the first time in a year and a half. The house of Frank Chaffee, west of the river, was afire and burned with all its contents; no insurance. The house was not very valuable.

Chaffee came home late with more local option booze aboard than one man could carry and remain sweet tempered, and he proceeded to drive his wife and children from the house, they taking refuge at a neighbor's. The house was soon afterwards found to be afire. Chaffee was arrested, placed in jail and Wednesday morning arraigned before Justice Killefer charged with arson. He pleaded not guilty, and his examination was set for next Tuesday morning at 10 o'clock. In default of \$500 bail, he is in jail.

Golden Wedding. Monday afternoon, June 29, was celebrated the 50th anniversary of the marriage of Mr. and Mrs. H. M. Hall at their pleasant home 3 1/2 miles southwest of Paw Paw. About 50 friends and relatives were present, among them four sisters of Mrs. Hall: Mrs. Garfield of Olivet, Mrs. Talbott of Charlotte, and Mrs. Pittinger and Mrs. McMerrells of Hastings.

The tables were beautifully decorated with pampies, and the four course 1 o'clock dinner was all that could be desired. The tables were set on the lawn and the day was perfect for the occasion.

After dinner a finely rendered program was enjoyed. Many rich and useful presents were left to show the love of friends and relatives, and the event was one long to be remembered.

AUGUST 10-17.

Advertisements: Mrs. Martha Ed- dy, Mr. Byron Leroy.

Let every one use the "home coming week" folder when writing to their friends. They can be had of the secretary, Mrs. B. F. Warner, at the post-office.

J. Paulson of Bloomingdale was arraigned before Justice Killefer, Wednesday, charged with violation of the local option law. He was held for trial at the September term of the circuit court. He gave bail.

If you think it doesn't pay to advertise, just stop and think how far and wide has gone the idea of "home coming week." Only a little has been done, yet it's now known all over Michigan and many other states, so travelers tell us.

New boarders at the county jail are John Gorman of South Haven, Frank Chaffee of Paw Paw, Fred Crossman and Isaac Kradler of Breedsville. Gorman is in for 10 days for being drunk and disorderly, Chaffee on a charge of arson and Crossman and Kradler for enticing a young girl away.

The story published in the state papers that Frank Chaffee was burned to death in his house, was all right except that it wasn't true. Paw Paw will soon rival Niles in the unreliability of its newspaper correspondents. But then, such a story is interesting, even if there is nothing in it—that is, nothing except pay for the correspondent.

The ladies entertained the Knights of Pythias last evening, at the home of Mr. and Mrs. E. J. Harrington. The reception was planned as a farewell to Dr. W. F. Hoyt before his departure for several months' study in London. Ice cream and cake were served, and an informal dance was had in the rink. The occasion was a most enjoyable one.

Last week Wednesday evening, about 100 neighbors and friends of Mr. and Mrs. Squire Burns surprised them with a reception to the newly married couple, and a very pleasant evening was enjoyed. Those present from outside of the neighborhood were Geo. Failing and Mrs. Chas. Failing of Grand Rapids and Mr. and Mrs. Henry Hawley of Paw Paw. Refreshments were served and a number of fine presents were left as mementoes of the occasion.

The projected electric road from Kalamazoo to Benton Harbor, of which G. W. Merriman, Geo. Bardeen and Mr. Rand are the active promoters, is looking up. The road from South Haven to Coloma and around Paw Paw lake has been surveyed and the surveyors are here this week running the line from Waterliet to Hartford and east to Lawrence. This line will be a great help to this county, especially to the farmers, who will no doubt see the advantage and cheerfully grant the right of way as it may be asked.—Hartford Day Spring.
